

Guest Pass Order Form

You can pre-order the number of guest passes you want to pass out to clients, friends, etc. We will mail you the number of passes you order and they will have your name and booth number on them. After they are turned in at the box office, we will bill you \$5.00 for each guest pass that is used. You will receive a bill after the show. This system means that you can order as many passes as you may want to pass out, but will only be billed for the ones that are used. Enclosed you will find 4 complimentary guest passes. Where these passes are stamped "dmg world media", your dealer name and booth # will appear on the ones you order separately with this form.
